LOOK è un modulo in polietilene colorato in massa, stampato in rotazionale a doppia parete così da consentire tensioni strutturali notevoli.

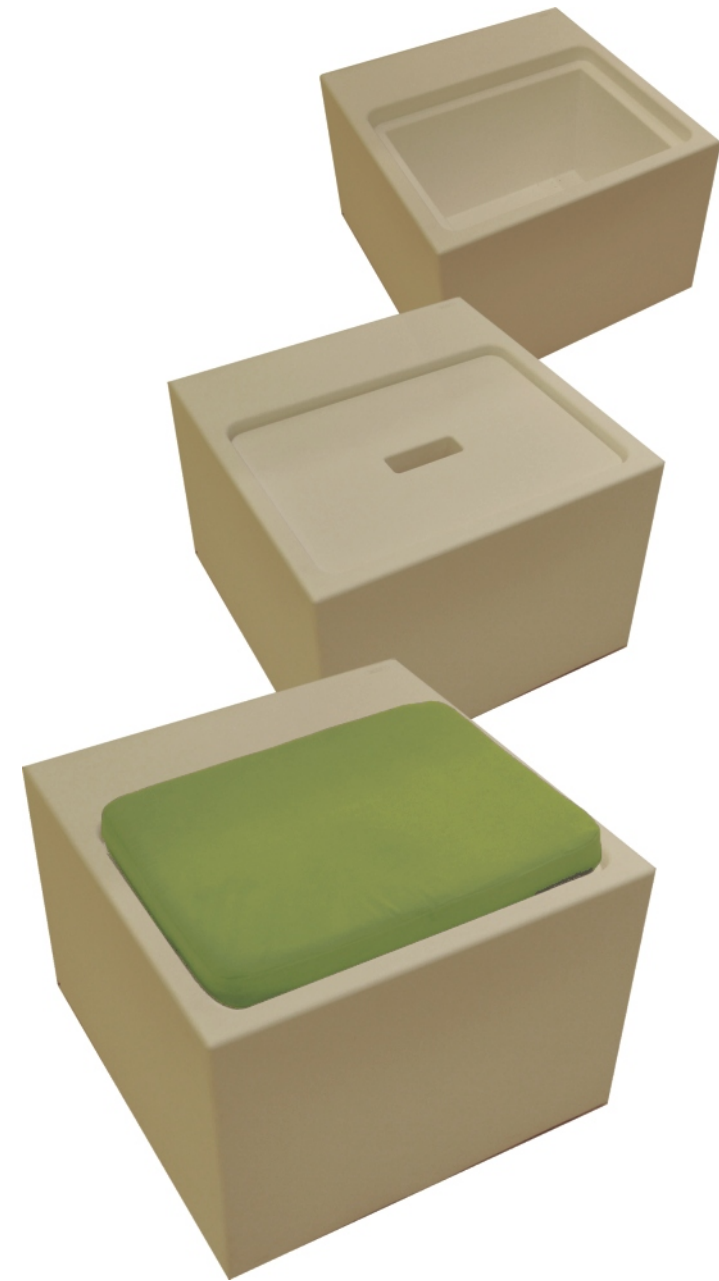

La volumetria lineare di LOOK, sintetizza funzioni diverse : seduta, contenitore, vaso, con l'integrazione della luce.

La base quadrata di LOOK consente differenti lay-out planimetrici con composizioni ad isola, lineari o singoli moduli.

*LOOK is a module in coloured polyethylene, printed in rotational with double wall.
That allows to support considerable structural tensions.*

The linear volume of LOOK synthesizes different functions: seat, container box, vase, with the integration of the light.

The square base of LOOK permits various planimetrics layout with island, linears or single module compositions.

LOOK VASO vase

la sua capacità (36 litri) permette l'invaso di varie specie di piante; è forato sul fondo per il drenaggio dell'acqua.
its capacity (36 liters) allows to plant different species; prearranged with a hole on the bottom for the water drainage.

LOOK TAVOLINO o CONTENITORE coffeetable or box

il volume vuoto all'interno può essere utilizzato come contenitore; l'aggiunta del coperchio lo trasforma in comodo tavolino.
the empty inner volume can be use as a container box; adding the cover top transform it in a easy coffeetable.

LOOK SEDUTA seat

aggiungendo il cuscino LOOK diventa una seduta; ampia scelta per i rivestimenti tra colorati e pratici tessuti outdoor
with the cushion LOOK became a seat, wide choice for the covers among the coloured and practical outdoor fabrics.

L'illuminazione di LOOK è realizzata con un kit a tenuta stagna e certificato IP per l'utilizzo all'aperto.
The lightened LOOK is realized with a watertight kit IP certificate for outdoor use.
